Allied Health Scholarship Award Program

**ATTENTION: April 13, 2012**

MHHA is pleased to announce the Allied Healthcare Scholarship Program. MHHA and Kitch Drutchas Wagner Valitutti & Sherbrook will each award \$1000 to a paraprofessional who is currently pursuing an Allied Healthcare degree. All MHHA members are encouraged to nominate candidates for the award.

MHHA is committed to helping build a pipeline of health care professionals to meet the future needs of our industry. We designed our scholarship program to encourage students to pursue health care disciplines. The scholarships are open to students currently enrolled in an accredited Allied Healthcare program and accepted into the clinical program. Applicant must be an employee of an active MHHA member organization. A minimum 3.0 GPA is required in order to apply.

The MHHA office will accept scholarship applications until April 13, 2012. Applications will then be given to the Education Committee with all applicant names and employer information removed, to avoid bias. The Education Committee will make a decision at its April meeting. Winners will be announced during the Annual Conference Award Luncheon. Scholarship awardees will receive a check in the amount of \$2000 from MHHA and Kitch Drutchas Wagner Valitutti & Sherbrook. Checks will be made payable jointly to the educational institution and recipient.
