

Michael G. Bartz Business Health Administration Memorial Scholarship

DEADLINE: March 11, 2022

Michigan HomeCare & Hospice Association (MHHA) is pleased to announce the Michigan Foundation for Home Care - Michael G. Bartz Health Administration Memorial Scholarship Program in honor of Michael Bartz, past MHHA member and Board President who lost a battle to cancer in 2014. MHHA will award this scholarship to a student who is currently pursuing a Health Administration Degree. All MHHA members are encouraged to nominate deserving candidates for this award.

MHHA is committed to helping build a pipeline of health care professionals to meet the future needs of the home care and hospice industry. We designed our scholarship program to encourage students to pursue a leadership role in health administration. The scholarships are open to students currently enrolled/accepted in an accredited business Health Administration program. A minimum 3.0 GPA is required.

The MHHA office will accept scholarship applications until March 11, 2022. Applications will then be given to the Education Committee with all applicant names and employer information removed, to avoid bias. The Education Committee will evaluate applications and select the winner at its March meeting. Scholarship Winners will be announced during the Annual Conference Award Luncheon on May 12, 2022. Scholarship awardees will receive a check in the amount of \$1500 from Michigan Foundation for Home Care, and payable jointly to the educational institution and recipient.

Please review the criteria below and complete the attached application.
