Matt Jones

Opening Session: There Is No Place Like Home: Life Lessons from Oz—Expanding Your Mind, Heart, and Courage!

Wednesday, May 14, 2014
8:30 a.m.—9:30 a.m.

Matt Jones is a professional speaker, author, thought leader, and three-time cancer conqueror. On Sept. 11, 2002 during his senior year of college, Matt was diagnosed with cancer. The cancer spread to his brain and he slipped into an unconscious state. His doctors did not think he would live. Against all odds, Matt recovered, went through a bone marrow transplant, had to relearn how to walk and has run marathons around the world including San Diego, Rome, Tokyo, and Peru, and Perth. His goal is to complete a marathon on every continent.

He is the author of Going through Hell? Don’t Stop!, Life’s a Marathon, 101 Timeless Truths, and Leadership is a Marathon. He is also pursuing a PhD in Organizational Leadership and is the founder of the REAL Leadership Academy (www.RealleadershipAcademy.com). From his talk audience members learn strategies to achieve victory by developing their marathon mentality and crossing their finish line.

Known widely as the preferred Home Health software, AXXESS truly is EVERYWHERE now with its fully integrated private pay and private duty modules. The same powerful, easy to use, secure and safe software provides a solution for private pay and private duty that is built on making the scheduler’s job easier. In addition to robust reporting, AXXESS provides access to in-depth features that no other private pay software can provide (physician portal, medicine interactions, training guides), and, all of this for unlimited users at one low price. As an added bonus, AXXESS is continuing the time honored tradition of consulting to the industry, so, with AXXESS you get more than just software, you get all you need to run your business.  

**ContinuLink: Bob LeBeau**—This session will provide evidence based efficiencies and profit enhancements offered by the use of the latest technology solutions for the home health marketplace together with some practical advice on identifying market opportunities for Medicaid focused business opportunities and some proven sales techniques to obtain more referrals from existing and prospective referral sources.
