Conference Scholarship Award Program

ATTENTION DEADLINE: March 8, 2024

Michigan HomeCare & Hospice Association (MHHA) is pleased to announce the Michigan Foundation for Home Care Conference Scholarship Program. MHHA and Kitch Drutchas Wagner Valitutti & Sherbrook will award up to 2 MHHA Annual Conference Scholarships that would provide a complimentary 2024 Annual Conference registration and three nights lodging at the Grand Traverse Resort. All MHHA members are encouraged to nominate candidates for the award.

MHHA is committed to helping build a pipeline of health care professionals to meet the future needs of our industry. We designed our scholarship program to encourage agencies to allow individuals to experience and attend the MHHA Annual Conference that may not typically get to attend. The scholarships are open to current MHHA member employees that have never attended a MHHA conference in the past.

The MHHA office will accept scholarship applications until 5:00 p.m., Friday, March 8, 2024. Applications will then be given to the Education Committee with all applicant names and employer information removed, to avoid bias. The Education Committee will make a decision at its March meeting. Winners will be announced in the April Bulletin and recognized during the Annual Conference Awards Presentation on May 9th.

Please review the criteria below and complete the attached application.

- The applicant must be employed by a home care or hospice agency in Michigan that is a current MHHA Member.
